Announcements from MNH

On May 5th, the Youth Farm Auxiliary held it's annual May Day Tea and Cakewalk. We had a wonderful turnout and a lot of fun that day! A total of \$2,827.50 was raised for the Nursing Home. A new floor polisher has been ordered and the Auxiliary will use the rest of the money for other projects as needed.

Thank you to all who came out and supported us that day.

The Saskatoon Health Region conducted a Resident and Family Ex-

perience Survey in April of 2016 for all long term care homes in the region. The results for the Mennonite Nursing Home have been presented to residents, board members, staff and family. If you would like to read the results of the survey, there is a copy posted on the bulletin board outside of the Activity Office.

Activity Calendars are posted in each resident room, the bulletin board outside the Activity Office and by the white boards on the East and West

Wings. If you would like a copy of the Activity Calendar, there are extra copies outside of the Activity Office. A link to the calendar and newsletter is also on our website. Please remember that activities are subject to change. If there are changes, they will be made to the calendars posted by the white boards. Feel free to talk to the Activity Staff if you have any questions.

July Events

July Birthday Party

Friday July 8th at 2:30 p.m.

Special Guests

Marjorie Goetz and Roy Ardell.

Cake and Coffee will be served.

Log Cabin Dinners

Partnership with Valley Action

The Mennonite Nursing Home has five core values, one of them being Collaborative Partnerships, which states:

Working together with the Resident and family, Saskatoon Health Region and the community, in collaborative decision making.

On Tuesday June 28th we started a partnership with the group from Valley Action in Rosthern. Every Tuesday, a couple of workers from Valley Action along with a staff member, will come to our Home from 10:00 a.m.—2:00 p.m. They will help out with odd jobs and tasks around the Nursing Home but most importantly they want to make connections with our residents. They will take part in activities and will also help organize and run some activities. The workers will join different residents for lunch on the days they are here, in hopes to develop meaningful relationships.

We are looking forward to this new partnership with Valley Action and hope it will be a successful experience for all who are involved.
