Our residents love and appreciate having visitors. We ask that you keep in mind this is their home and when you come to visit, please knock on their door before entering. Staff and visitors need to respect the resident's right to privacy and their personal space. Thank you for understanding.

It is a formal social with food, music, photo booth and dancing for those interested. Family and friends are invited to join our residents for this fun evening! Please RSVP by calling 306-232-4861 or emailing tarri.ostapak@saskatoonhealthregion.ca.

A Word From Our Chaplain—Amos Fehr

Reunited

Those of you old enough to remember the 1970's may recall a song called "Reunited" sung by a band called 'Peaches and Herb'. The song has a distinct 70's sound and celebrates being united with the ones we love. Recently we were united with our son who had been overseas for 5 months with YWAM. It was a happy occasion as we greeted him at the Saskatoon airport a few days ago. We were reunited at last. Hugs, smiles, laughter and joy flowed freely.

Life is a wonderful gift from our Heavenly Father. Yet, sometimes we are guilty of taking this gift very for granted. If you are like me, you also take for granted those close to you. Our path in life has blessed each one of us with family and friends. In the coming days may we take the time to reflect on the ones we love. To tell them, "We Love You". May we thank God for those who make our life meaningful and give purpose to our journey.

"Dear friends, let us continuously love one another, because love comes from God. Everyone who loves has been born from God and knows God". John 4:7-8
