

September's Progress

Sept 2-29, 2017

As the month has gone by I have had an eager eye to the sky with hopes that the snow keeps away, but then remind myself that this stage of the building must be done right. This scripture verse says it well.

*"By the grace God has given me, I laid a **foundation** as a wise builder, and someone else is building on it. But each one should build with care."* 1 Corinthians 3:10 NIV

Filling the basement walls with concrete

Removing forms from one section of basement and setting new ones for the smaller basement

Dumping gravel onto the lower basement floor

Lower basement floor ready for concrete. Upper basement walls are filled.
