

Tyvek Gives a New Look March 8 -31, 2018

The weather has been cold, but the workers made the PCH look “warmer” with a new look called Tyvek. That surely made a big difference—things are getting closed in. Everyone is so grateful for the progress, but winter seems so long and cold. But the workers persevered. Let’s have a look:

South Side

West Side

East Side

South side again

South side looking at the Main Entrance from the stop sign

The green indicates the firewall between the Personal Care Home and Pineview
