

# A SNEAK PEEK—OCTOBER 5, 2018

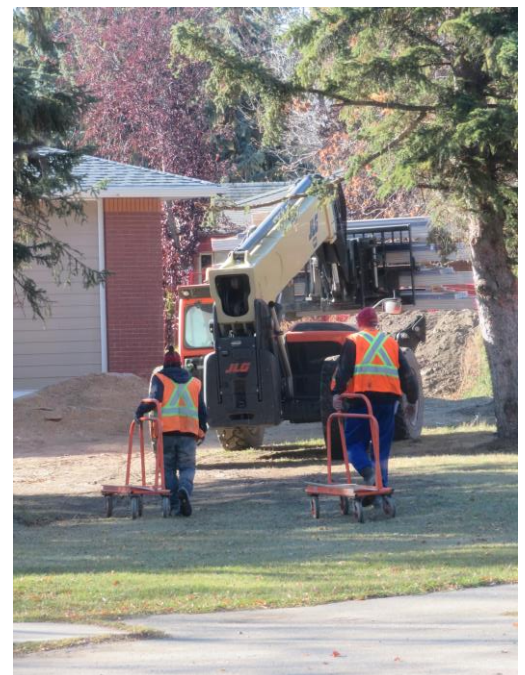

---

An earlier load of drywall in September

Unloading more drywall and dividing it up into the various rooms inside the building. Going in the back door across from the Chapel.

# A "PEEK INSIDE!!

---

The outside of the chapel

An inside view of the chapel

Looking north on the west side of the North Wing

A Room with the drywall waiting!

Looking south toward the fireplace area

Looking down the East Wing
