On March 11th and 12th our home will be audited by the Ministry of Health. These audits are being conducted in all homes throughout Saskatchewan and seek to assess our compliance with the Programs and Guidelines for Special Care Homes. This inspection may include interviews with staff, residents, and

families. If you are the main contact on our resident list, you will receive an email from Mark that include more information about what these inspections entail. These audits are not to be punitive, but are for the betterment of all special care homes in the province.

We are currently looking for more **handibus drivers** to drive residents to their appointments. If interested, please contact our Admin office at 306-232-4861 for more information.

The Mennonite Nursing Home is seeking to hire a permanent, full-time Recreation Coordinator. If you or someone you know is interested, please submit your resumes to Mark Hildebrandt at mark.hildebrandt@saskhealthauthority.ca

A Word From Our Chaplain — *Amos Fehr*

The Roads We Travel

I have always enjoyed road trips. As a young boy our parents would take us on annual trips to Alberta and BC to see family and friends. The feeling of freedom and excitement while exploring new places will always be one of my favorite childhood memories. Oh the places we saw and the people we met!

Life takes each one of us down our own unique road. No two journeys are the same. Ten years ago God prepared a path for us that would lead me to my job as Chaplain here at the Mennonite Nursing Home, Pineview Manor and Sunrise Place. It meant saying goodbye to friends and jobs we loved. As I look back I thank the Lord for His guidance and how He provided this opportunity for my family and I to move to Saskatchewan. It was not an easy road but it was a necessary road! In my work we often witness individuals and families making difficult decisions as they try to plan for their future. Difficult decisions...and not always the road trip we had planned.

In the year 2023 God prepared a new path for Henry and Betty Epp. They had been living in Country Gardens for 8 years and now, with the help of their family Henry moved into Pineview Manor while Betty moved into Sunrise Place. We are so privileged to have them living here! The road to their new home was not an easy one. Betty has experienced times of depression and feelings of worthlessness that had brought her to a 'dark place in her soul'. We praise God that Betty has found her way out of the darkness and back into the light through her faith in Christ, the support of her husband Henry, as well as the Sunrise Place staff, the programs, daily schedules and the many blessings of new friends. She often encourages us with her caring and friendly demeanor...her incredible and natural musical skills on the piano and accordion...and with her love for life!

Which road has God placed in front of you lately? Which roads are still ahead of us? Henry and Betty made the difficult choice of following the path that would lead them into Pineview Manor and Sunrise Place. They will now tell you that it's the best decision they ever made. As Betty says, "This move has created a space for healing, hope, restoration and joy!!" We are so thankful for Betty and Henry! We are also thankful for Sunrise Place and Pineview Manor that provide new opportunities for our residents and families.

"Stand at the crossroads and look; ask for the ancient paths, ask where the good way is, and walk in it, and you will find rest for your souls." -Jeremiah 6:16

Betty loves entertaining us with her musical skills.
